

Newegg Logistics Portal Platform Integration Guide

How to opt-in SBN automated multi-channel order fulfillment

1. Log in [Newegg Marketplace Seller Portal](#) > Orders > Create Multi-Channel Order > click: “SBN Automated Multi-Channel Order Fulfillment
2. You will be directed to an SBN automated multi-channel order fulfillment introduction page
3. Click on Newegg Logistics Portal link to proceed with new platform integration process

The screenshot shows the Newegg Seller Portal interface. On the left sidebar, the 'Orders' menu is highlighted with a red box and a red circle with the number 1. Below it, the 'Create Multi-Channel Order' link is highlighted with a red box and a red circle with the number 2. In the main content area, the 'SBN AUTOMATED MULTI-CHANNEL ORDER FULFILLMENT' button is highlighted with a red box and a red circle with the number 3. The page includes various input fields for shipping information, a table for shipping content, and a 'CONFIRM AND CREATE ORDER' button at the bottom right.

eBay Integration

1. Choose Platform: select “eBay USA”

The screenshot shows the 'New Platform Integration Guide' form. The 'Choose Platform' tab is active, displaying the following fields and values:

- Store**: Default Store 2 (with a dropdown arrow and a green '+ New Store' button)
- Platform**: eBay USA (with a dropdown arrow)
- Display Name**: Test Platform

A 'Next' button with a right arrow is located at the bottom right of the form.

- Click “Next” to proceed with platform configuration. User name and password in not required for eBay platform integration. You may also select default configuration
